SMART DEFIBRILLATORS  
MANAGEMENT SOLUTIONS

AUTOMATED  
DEFIBRILLATORS AVAILABLE

**ANYWHERE,  
AT ANYTIME,  
TO ANYONE**

## A solution that fits every situation

DEFIBSTATION provides, floor or wall mounted, smart solutions depending on your needs.

In both cases, AEDs are mapped and monitored 24/7 thanks to smart sensors.

The HD flat screen can display advertising and public health messages.

DEFIBSTATION™ smart kiosks represent the best solution to install AEDs everywhere and monitor them 24/7 while controlling operating costs.
